

**Deuteronomy 32:1-43 A Song To Remember, To Prevent A Future Disaster 10/24/2023**

**Intro: Songs of warning:** In the year 2525/ Skip a rope/ Cats in the cradle/ Better run through the jungle/Smiling faces sometimes/ House of the rising sun.

**Question:** Can you think of others

**Text Intro:**

**Question:** What is God up to and how can we stay on the right track when temptations come?

**Deut. 30:19-20**

Deut. 32 is a song they all learned to memorize. It helped them to draw the right conclusions about what is happening around them. This is how they can stay on the right track.

**What Israel will say later:**

**1.** "Since things are going so badly we conclude that God has abandoned us." **Deut. 31:16-19**

**2.** "Things are going great, I make myself prosper; it was not God." **Deut. 31:20**

(I call this the Deut. 8 syndrome; will see this again in 32: 15)

**Text:** Deut. 32: 1-22, 28-31, 35-36, 39,

**Final:** Deut. 32: 45-46
